Subject: Dad Bod Moving - 2021-141-T (Late filed exhibits)

Parties:

During the hearing held in 2021-141-T, there were several late-filed exhibits requested. I have received some, but not all, of such exhibits.

I believe that I am still waiting for

- 1) a 10-year driving record for the Applicant (this is to be filed confidentially)
- 2) A revised Tariff to reflect changes to section 3.4 regarding liability for certain items
- 3) Verification or proof of workers' compensation insurance

Thanks and Regards,
